

أنت نسخة الأكوان

أَنْتَ نُسخَةُ الْأَكْوَانِ فِيكَ حِكْمَةُ الرَّحْمَنِ
فَاجْمَعِ سُورَ الْقُرْآنِ بِسْمِ اللَّهِ

You are a copy of all worlds
And who the wisdom of Allāh holds
So collect the sūras of Al-Qur'ān
By the name of Allāh, By the name of Allāh

نَحْنُ رَبَّنَا نَذْكُرُ ثُمَّ غَيْرُهُ نَهْجُرُ
وَعَيْنُنَا لَنَا تَنْظُرُ إِلَى اللَّهِ

We invoke the name of our Lord
And we keep away from the world
while our eye looks up ... At Allāh
Looks up ... At Allāh, Looks up ... At Allāh

صَاحِ دَعْوِي فِي سُكْرِي وَأَعْذُرُ فَالْهَوَى عَذْرِي
أَنَا لَيْسَ فِي سِرِّي إِلَّا اللَّهُ

I am now drunk so leave me
Loving Him has taken all of me
There is nothing else in my heart but Allāh
In my heart but Allāh
