

الحَقُّ حَقٌّ - الشيخ محمد أبو الهدى اليعقوبي - تركيا ١٤٣٨

The Truth is True

A poem written by Shaykh Muḥammad Al-Yaqoubi, Turkey 1438

الْحَقُّ حَقٌّ لِمَنْ رَأَهُ كَالشَّمْسِ مَا تَمَّتْهُ اشْتِبَاهُهُ
أَهْلُ الْمَعَانِي بِمَعْنَاهُ تَاهُوا لَمَّا فَتَنُوا فِيهِ عَنْ سِوَاهُ

The Truth is true for all who saw Him
Like the sun, there is no doubt about it
People of perception, have fallen in love with His Meaning
When they were annihilated in Him from all others

مَا دَلَّ عِلْمٌ عَلَيْهِ كَلًّا وَلَا دَلِيلٌ إِلَيْهِ أَذْلَى
يَا طَالِبًا لِلْعُلُومِ مَهْلًا أَبَدِلْ بِعِلْمِ الْحُرُوفِ جَهْلًا

Knowledge did not lead to Him
No any evidence does prove Him
O seeker of knowledge, wait!
Replace your knowledge of the letters with ignorance

وَقِفْ عَلَى بَابِهِ فَقِيرًا وَفِي الْهَوَىٰ قَعٌ لَهُ أَسِيرًا
وَعِشْ بِمَا اخْتَارَهُ قَرِيرًا تَكُنْ بِرِضْوَانِهِ جَدِيرًا

Stand at His door in a state impoverishment
Fall as captive in love for Him
And live in a state of happiness with what He chooses
Then you will win His Pleasure

شَاهِدْهُ يَا صَاحِبِ فِي كُلِّ مَعْنَى تَجِدْهُ {عِنْدِي} وَ{إِنِّي} وَ{مَعْنَا}
وَارْحَلْ إِلَيْهِ فِي كُلِّ مَعْنَى وَادْخُلْ حِمَاهُ بِالذُّلِّ تَغْنَى

Look for Him in every meaning
You will find Him {with Me} and at {I am} and {With us}
Travel to Him in every Garden
And enter His Sanctuary with humility to become rich.

مَا تَمَّ ذِكْرُ تَبَدَّى أَنْتَ هُوَ الْمَذْكُورُ

وَالْحِسُّ مِنْكَ تَرَدَّى وَغَابَ مِنْهُ الشُّعُورُ

There is no remembrance there, you are the one being remembered.
Your senses vanished, and your sensation is lost.

وَالضُّدُّ بِالضُّدِّ يُدْرَى حَيْثُ الْغِيَابُ حُضُورُ

فَإِنْ أَرَدْتَ وُصُولًا فَافْئِنِّ وَلَا تَتَعَنَّى

Opposites are known best by their contrasts; So are absence and presence.
If you want to reach Him, do not make it hard on yourself, just annihilate.

بحر المعارف The Ocean of Gnosis

بحر المعارف واسع لن يدركا بشرى لمن للشط ألقى مسلكا

The ocean of gnosis is so vast to the extent that it could not be encompassed.
Glad tidings be to the one who found a way to its shores.

فأصبح إماما عارفا قد خاضه خوض الفتى وكن الكليم مباركا

So, be in the company of an imam, a gnostic who already went through its waves.
Like the way the "Fataa" did; and be The 'Kaleem' to be blessed.

سلم له فيما يقول ولا تسل عن حكمة واتبعه لا تك مُربكا

Submit to him in all what he says, and do not ask,
About the wisdom, and follow him and do not be confused.

وإذا رأيت الأمر أشكل حله فالجأ إلى المولى الكريم لتدركا

When you see a problematic matter that is difficult to understand
Beseech the Most Generous Master to reach its meaning.
