The Name of the Sublime Essence

Written by Shaykh Muḥammad al-Yaqoubī in 2009. He felt it wasn't him writing it but that all the meanings and words were pouring; inspiration from Allāh. It is about the secrets of the name of Allāh Subḥānahu wa ta'ālā. Before Shaykh Muḥammad wrote this poem, his intention was to quit all public activities and devote the rest of his life to Allāh in seclusion. The meanings and outcome of this poem poured and the words came from Allāh on his heart, tongue, and pen: that the Shaykh should go out and continue his work as he's doing.

إِسْمُ الذَّاتِ الْعَلِيَّةِ فِيهِ سِرُّ الْأَحَدِيَّةِ
فَاذْكُرْ بِإِخْلَاصِ النِّيَّةِ وَقَوْلِ اللّٰهَ اللّٰهَ اللّٰهَ

The name of the Sublime Essence
In it is the secret of Uniqueness
So do your dhikr with sincerity
And say Allāh Allāh Allāh

تَصَوَّرِ الْإِسْمَ الْأَعْظَمَ فِي الْفِكْرِ بِالْخَطِّ مُحَكَّمٍ
وَعِبْ عَنْ كُلِّ مَا تَعْلَمُ يَا تَيْكَ الْفَتْحُ مِنَ اللّٰه

Imagine the Greatest Name
In your mind with its inscription fixed
And be absent from all your knowledge;
You will get the opening from Allāh

أَذْكُرْ بِاللَّيْلِ وَالنَّهَارِ حَتَّى تَغِيْبَ عَنِ الْأَذْكَارِ
إِنَّ الْحَقَائِقَ وَالْأَسْرَارَ لَا تُدْرِكُ إِلَّا بِاسْمِ اللّٰه

Maintain dhikr day and night
Until you're absent from the dhikr itself
Indeed the realities and secrets are not
Grasped except through the name Allāh

حَضْرَةُ الْغَيْبِ وَالشُّهُودِ كَنْزُ الْأَسْرَارِ وَالْعُهُودِ
إِذْنُ التَّصَرُّفِ فِي الْوُجُودِ لِأَهْلِ الذِّكْرِ بِاسْمِ اللّٰه

Presence of both worlds; unseen and seen
Treasures of all secrets and covenants
Authority over the world
All this is for invokers of the name Allāh

مِفْتَاحُ بَابِ الْفَنَاءِ وَفِيهِ عَيْنُ الْبَقَاءِ
أَصْلٌ لِجَمِيعِ الْأَسْمَاءِ فَالذَّاتُ تُعْرَفُ بِاسْمِ اللَّهِ

The key to the door of annihilation
In it is the secret of intransience
It is the source of all other names
The Essence is known through the name Allāh

يُحْرِقُ كُلَّ الشَّهَوَاتِ يُذْهِبُ أَصْلَ الْأَفَاتِ
فَاجْعَلْ أَنْفَاسَكَ آهَاتٍ مِنْ صَدْرِكَ تَخْرُجُ بِاسْمِ اللَّهِ

It burns all lusts
And takes away all diseases
So make the breathes emerging from you
Transpire with the name of Allāh

سِتٌّ وَسِتُّونَ بَابًا جُعِلَتْ لِلْفَتْحِ أَسْبَابًا
يَجْتَازُهَا مَنْ أَنْابَا وَعَابَ فِي حَضْرَةِ اللَّهِ

Sixty six doors
Made means for the opening
Only those enter these doors
Who disappeared in the Presence of Allāh

بَحْرُ الصِّفَاتِ الذَّائِبَةُ مَدَدُ الْأَفْعَالِ الْأَزَلِيَّةُ
وَفِيهِ أَسْرَارُ الْمَعِيَّةِ أَلَا فَكُونُوا مَعَ اللَّهِ

The ocean of Essential Attributes
The Support of all Divine Actions
In it are the secretes of togetherness
Certainly! So be with Allāh

فَاخْرُجْ عَنِ الطُّورِ سِرًّا وَاسْتُرْ عَنِ الْخَلْقِ طُرًّا
فَالْعَبْدُ قَدْ صَارَ حُرًّا مِنْ كُلِّ شَيْءٍ سِوَى اللَّهِ

Be overcome with rapture but secretly
Hide your state from all of creation
For the slave has been liberated
From everything other than Allāh
